

Find Student Kit information at:

http://www.solidworks.com/sw/education/SDL_form.html

Please use SEK-ID: **XSEK12**

Fill out the form. Select the **2016-2017** version

Use VAR Name: **MLC CAD**

Click "Request Download" Button

During the download you will need to your school's serial number to install and activate the license.

The serial number for Southern Poly is: **Please ask your instructor or email Mr. Joe Como at jcomo3@kennesaw.edu or Professor Greg Conrey at gconrey@kennesaw.edu through your KSU email account.**

(NOTE: SolidWorks 2016 only runs on Windows 7 64bit, Windows 8.1, or Windows 10. Files you open and save in SolidWorks 2016 cannot be opened in earlier versions.)

Student Access Form

SOLIDWORKS Student License Program-- download version

Please enter your information in the following fields-- all fields required.

If you do not know your School License ID or the SOLIDWORKS VAR Name that covers your school, please contact your Instructor.

If you received a Student Design Kit download version card, your SDK-ID is printed on the inside.

Please enter accurate information, including email address.

Download instructions and licensing serial number will be emailed to the address you provide.

Please refer to DS SOLIDWORKS Corp.'s privacy policy link below regarding how your data will be used.
