

Converting Letter Grades to Points (100 point scale)

A = 100 points

B+ = 90 points

B = 85 points

C+ = 80 points

C = 70 points

D = 60 points

F —Let's hope we don't have to consider this!

The above are conversions for the grades assigned to individual talks. SPSU's grading scale does not include plus/minus options for grades. At the end of the semester, a number grade of 90 points will correspond to a letter grade of A, and 80 points will correspond to a letter grade of B.
