Extra Credit and Grade Adjustments

The grade for this course is points based. Every student has the same opportunities to earn points in this course. I do not round individual grades or offer individual opportunities for extra credit and will not respond to emails asking us to do so.

Accommodations and Student Disability Services

Students who are entitled to accommodations through Student Disability Services must submit their Faculty Notification Letter in D2L (from the Course Home Page > Assignments > SDS Faculty Notification Letters) along with an explanation of each specific accommodation they are requesting per the approved accommodations outlined in that letter. This documentation must be received in advance of any deadlines or exams to receive accommodations. Per SDS policies, recommendations are not retroactive. See <https://sds.kennesaw.edu/guidelines/student-rights-responsibilities.php> for more details.

- Please note that all PowerPoints/Lecture Notes are provided in advance in D2L under the corresponding Learning Module.
- Course resources should have appropriate captioning. If you encounter a resource that is not adequately captioned, please notify me via email as outlined in the course communication policy so that I may correct this oversight.
- I must receive your request for extended exam time and your Faculty Notification Letter in D2L before 5 p.m. on the day before the scheduled exam to guarantee accommodations for your exam.

Exam Policy

If you must miss an exam due to a documented, legitimate reason (illness with documentation, family death, etc.), then a make-up exam will be administered. To coordinate this, please contact me within three days after the administration of the exam via email as outlined in the course communication policy on page 1 of this document. Official documentation must be provided in D2L (from the Course Home Page > Assignments > Documentation for Make Up Work) prior to submission of outstanding projects or the administration of a make-up exam. The documentation's dates must align with the missed exam.

If you experience a computer technical issue while taking an exam, you may be allowed a make-up/retake exam, IF the technical issue occurred while you were taking the exam and you immediately contacted UITS to resolve and document the issue. You must also immediately notify the instructor of the technical issue via email (within 15 minutes of concluding your report with UITS). You will be required to provide written confirmation of your interaction with UITS before another exam attempt is granted (from the Course Home Page > Assignments > Documentation for Make Up Work).

Late Work/Make-Up Work

Late work will not be accepted without documentation of an illness or other unforeseeable emergency that spans most of the period between the date when a quiz, project, or exercise's instructions are posted and the due date. The student must notify the instructor via email in D2L within 3 days of the assignment's deadline. The documentation's dates must align with the missed course work.

Students Who Serve in the Armed Forces and KSU Student Athletes

Students who must be away on military orders and KSU athletes who are away on university sponsored events may be allowed to make-up exams and projects, provided the student contacts her/his instructor in advance of the exam/assignment deadline, and submit official documentation in D2L (from the Course Home Page > Assignments > Documentation for Make Up Work).

Thank you for your service to our nation. Go, Owls!

For the updated and detail info, please refer to the FYE policies, available at:
<https://ccse.kennesaw.edu/fye/policies.php>

Electronic Devices and Classroom Behavior Policy

To minimize the level of distraction, all cellular phones and electronics must be on quiet mode during class meeting times. If you need to take a call, please step outside of the classroom to do so. Students using a laptop in class should not check their email, browse the web, or in other ways detract from the focus of the class.

Students are reminded to conduct themselves in accordance with the Student Code of Conduct, as published in the Undergraduate and Graduate Catalogs. Every KSU student is responsible for upholding the provision. Students who are in violation of KSU policy will be asked to leave the classroom and may be subject to disciplinary action by the University.

COURSE WITHDRAWAL

See below for commentary on withdrawals from the 2019-2020 Catalog:

Students may withdraw from one or more courses up to one week prior to the last day of class. To completely or partially withdraw from classes at KSU, a student must withdraw online at www.kennesaw.edu, under Owl Express, Registration and Student Records. Students who officially withdraw from courses before mid-semester will receive a "W" in those courses and receive no credit. They will not, however, suffer any academic penalty. Students who officially withdraw after mid-semester one week prior to the last day of class will receive a "WF," which will be counted as an "F" in the calculation of their grade point average. Exact withdrawal dates will be published in the official academic calendar and are subject to approval by the Board of Regents.

For attendance verification, faculty may assign "non-attendance" or submit a grade of W or WF for students who stop attending class and do not officially withdraw along with the last day of known attendance.

The only exceptions to these withdrawal regulations will be for instances involving unusual circumstances that are fully documented.

Students will receive refunds only when they withdraw from all their classes and only by the schedule outlined in the University System refund policy.

KSU Military Withdrawals Policy

Kennesaw State students who are called to active duty or who are deployed during the term may be eligible for a military withdrawal. Students who withdraw for military reasons will receive a WM grade in all courses and receive a refund of tuition and mandatory fees and a pro rata refund of other fees. Students who would like to withdraw for military reasons must submit a copy of their official orders to the Registrar's office. Military withdrawals do not count as part of the eight (maximum) allowed withdrawals.

KSU Reasonable Accommodations Policy

Students with qualifying disabilities under the Americans with Disabilities Act (ADA) and/or Section 504 of the Rehabilitation Act who require "reasonable accommodation(s)" to complete the course may request those from the Office of Student Disability Services. Students requiring such accommodations are required to work with the University's Office of Student Disability Services rather than engaging in this discussion with individual faculty members or academic departments. If, after reviewing the course syllabus, a student anticipates or should have anticipated a need for accommodation, he or she must submit documentation requesting an accommodation and permitting time for a determination prior to submitting assignments or taking course quizzes or exams. Students may not request retroactive accommodation for needs that were or should have been foreseeable. Students should contact the office as soon as possible in the term for which they are seeking accommodations. Student Disability Services is located in the Carmichael Student Center in Suite 267 on the Kennesaw campus or Building A in Suite 160G on the Marietta campus. Please visit the [Student Disabilities Services website](#) for more information or call the office at 470-578-2666 (Kennesaw campus) or 470-578-9111 (Marietta campus).

GRADE APPEALS AND STUDENT COMPLAINTS

See below for commentary on withdrawals from the 2019-2020 Catalog:

Grade appeal will follow the level of the course. Students' rights to grade appeals are defined in the university catalog. A key element in the grade appeal procedure is the faculty member's responsibility to publish a specific grading policy for each of his/her classes. Specifically, the grade appeal procedure states: "Each faculty member must specify his/her grading policy, at the first of the semester. He/she may change his/her grading policy for cause after that time, but he/she must do so uniformly, with ample notification to students, if at all possible."

Note that failure to publish the grading policy would mean that a faculty member would have great difficulty in sustaining his/her assigned grade if a student appealed with anything but a frivolous or irresponsible basis for his/her charge. The grading policy should be quite specific and should be distributed to each class in written form. Some departments may also require faculty members to file grading policy statements in the departmental office. Because the student can submit a grade appeal to the Department Chair within 20 business days after the first day of classes of the next academic term after the academic term in which the final grade was awarded to the student (see Grade Appeals Procedure, section B), it is strongly recommended that instructors retain any student papers, tests, projects, or other materials not returned to the student for 70 days after the end of a semester or if an appeal is filed until the appeal is resolved. Refer to the following section for specific grade appeal procedures.

Students can find more details regarding the appeal process here:

<http://catalog.kennesaw.edu/>

ACADEMIC INTEGRITY

Every KSU student is responsible for upholding all provisions of the Student Code of Conduct, as published in the Undergraduate and Graduate Catalogs. The Code of Conduct includes the following:

- A. Section II of the Student Code of Conduct addresses the University's policy on academic honesty, including provisions regarding plagiarism and cheating, unauthorized access to University materials, misrepresentation/falsification of University records or academic work, malicious removal, retention, or destruction of library materials, malicious/intentional misuse of computer facilities and/or services, and misuse of student identification cards. Incidents of alleged academic misconduct will be handled through the established procedures of the University Judiciary Program, which includes either an "informal" resolution by a faculty member, resulting in a grade adjustment, or a formal hearing procedure, which may subject a student to the Code of Conduct's minimum one semester suspension requirement.
- B. Students involved in off-campus activities shall not act in a disorderly or disruptive fashion, nor shall they conduct any dangerous activity.
- C. Students involved in off-campus activities shall not take, damage or destroy or attempt to take, damage or destroy property of another.
- D. Please review the [FYE Policy regarding Academic Misconduct](#) on our website.
