

This is posted in memory of my brother,
Norman Gerhard Koether B. A., C.P.P., C.P.M.

Norman died of a heart attack at the age of 42
while at Mont-Tremblant, Quebec, Canada on
February 12, 2005.

He was a graduate of McMaster University
with a B.A. degree in Honors Economics.

He was the proud father of Jordan and Marcus
Koether, dear brother of Marina Koether and
loved son of Liselotte and Gerhard Koether.

We miss him terribly.
