Response Rate	8/22 (36.36%)
• not very helpful • Very Knowledgeable and consist with the information provided. • Detailed lectures and interesting real world application mini-project • Being able to have open notes quizzes. The amount of information given in this course was a lot and sometimes felt over loading. • Great • Instructor did a great job of teaching. • he gave an engaging lecture but the project he gave us was also really helpful to expand my knowledge about this course • N/A
